Dear Duncan

Re: Emergency Services Day

I just wanted to thank you for your participation in the Emergency Services Day on 11 July 2010. I was very impressed with the enthusiasm of you and your team as you interacted with the local community from around the Blagdon area.

I was amazed at the amount of expertise in the area and of your work as volunteers. Please pass on my thanks to all those who attended and helped make the day a success.

I hope that you and your team also enjoyed the day and found that it was beneficial for your organisation. I hope that we may be able to do this again

Thank you for your support
